

Features

- Walnut exterior for an elevated design, complemented by Scandinavian spruce interior for a warm, natural feel
- Solid obeche wood L-Shape bench, stool, backrests, and headrest with space for 2-3 users
- Black touch control panel to adjust temperature, humidity, and lighting
- Free standing FERO 4.5 kW heater with obeche wood railing for a traditional sauna bathing experience
- SOFTCLIMA technology to transform the traditional sauna experience into a soft steam bath. Humidity is regulated via a timing cycle
- Dimmable SUNSET back rest lighting in warm white to gently illuminate the cabin
- Separate beech wood wall sconce on back wall
- Mineral wool insulated walls to maximize heat retention
- Insulated glass window retains and evenly distributes heat
- Beech interior door handle remains cool to the touch, while exterior matte aluminum handle is modern yet durable.
- Interior wall-mounted thermometer and beech wood hourglass timer to monitor sauna session
- Includes complete sauna cabin with heater/stones, control panel, benches, additional stool, backrest lighting, and wall light. Accessories include thermometer, hourglass timer, head rest, aroma cup tool, and watering can.
